COMMENTS ON THE EXAMINER'S STATEMENT
OF REASONS FOR ALLOWANCE

Sir:

In response to the Notice of Allowability, mailed by the U.S. Patent and Trademark Office on April 26, 2005, and to the Statement of Reasons for Allowance attached thereto, Applicant wishes to clarify the record with respect to the basis for the allowability of the claims in the present application. In this regard, Applicant notes that the

I hereby certify that this correspondence is being deposited with the United States Postal Service as first-class mail in an envelope addressed to: Commissioner for Patents, P. O. Box 1450, Alexandria, VA 22313-1450 on

features identified by the Examiner may be more properly identified as providing a set of one or more closed first curves defining a boundary of a surface, wherein the set of one or more closed first curves contains no self-crossover points and an assembling step in which the computer assembles, without user intervention, the plurality of closed loops from curve intervals delimited by adjacent determined crossover points, from the set of one or more closed first curves. While Applicant does not disagree that these features are not disclosed by the references, Applicant submits that each of the claims in the present application recites a particular combination of features, and that the basis for allowability of each of these claims is based on the totality of the particular features recited therein.

Applicant's undersigned attorney may be reached in our Costa Mesa, CA office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
